## I. BIOGRAPHICAL SKETCH

Mr. Clunk is a Construction Consultant. His expertise includes project planning, scheduling, cost control, and schedule delay impact analysis. He is a recognized consultant in construction management and critical path method schedule analysis. Mr. Clunk's professional education includes a BS in Civil Engineering.

Following graduation from High School, Mr. Clunk enlisted into the Navy Seabees. During his enlistment Mr. Clunk served in several locations throughout the United States and overseas; additionally serving in Operation Desert Storm where he received "Seabee of the Quarter" for his outstanding service. Mr. Clunk received an honorable discharge in (1994). Mr. Clunk studied Civil Engineering (1989-1994) at California State University at Long Beach. Mr. Clunk worked for Adams and Smith, Lindon, UT (1994-1996) in the capacities of Field Engineer, Junior Project Engineer, Project Scheduler, and Project Manager of both small and large private and public construction projects. Mr. Clunk continued his professional career as a Project Scheduler and Project Manager working for Excel Paving Company, Long Beach, CA (1996-2006),

In 2007, Mr. Clunk began working as construction consultant with Nitro Associates. Mr. Clunk works as a Senior Construction Consultant with Nitro Associates providing all levels of construction and claims consulting, including scheduling, claims analysis, mediation participation and client management services. In addition, Mr. Clunk specializes in construction management, critical path method schedule analysis, and delay and damage calculations.

Mr. Clunk is a specialist in many software applications for use in project management and business systems. A few of the software applications that he is skilled in their use are:

### Scheduling Software Programs

- Primavera Project Planner (P3) - ver 3.1 SP3
- Suretak Project Manger – ver 3.0a
- Microsoft Project Planner

### Project Management Programs

- Microsoft Office Professional
- Expedition
- Digger – ver 3.0
