I. BIOGRAPHICAL SKETCH

Mr. Sorensen is a Construction Consultant and Court approved Expert Witness. His consulting practice includes project planning, scheduling, cost analysis, and schedule delay impact analysis on private and government construction contracts. He has qualified in Court on Public Works bidding practices, construction management, critical path method schedule analysis, schedule delay and related damage calculations, productivity and disruption damages, reasonable value of the work, and custom and practice concerning scheduling, delay analysis, change order requests, change orders, methods of measuring inefficiency, and documenting delay claims.

Mr. Sorensen was an instructor for the Department of Engineering, Information Systems and Technical Management at the University of California, Los Angeles, Continuing Education Program from 1995 to 2002. He taught UCLA's Planning and Management Systems (CPM) class for the Professional Designation in Construction Management, a certified program. He continues to be a frequent speaker at Engineering and Construction Association meetings and conferences, as well as academically for Loyola School of Law, University of California, University of Southern California, California State University, and Lorman Educational Services. He is a member of several engineering and contractor association groups.

Mr. Sorensen studied Architecture (1979-1980) at Northern Virginia College and continued his studies at Montana State University towards a Bachelor of Arts degree in Architecture (1980-1983). Mr. Sorensen worked for Wexco Intl. Corp. (1983-1992) in the capacities of Junior Draftsman, Scheduling Engineer, Manager of Support Services, Senior Project Controls Manager, Senior Claims Manager, Vice President and, President - Consulting Operations Division. Mr. Sorensen organized the consulting firm Nitro Associates in 1992 and is President of the Corporation.
